

KNOBBY NEWS

Fall 1983

ATTENTION IMPORTANT READ THIS

The M.S.C. would like to announce their support of Charlie Watson of Pompton Lakes, New Jersey, to be nominated for the AMA Board of Trustees. He was an AMA Referee for many years, involved in AMA activities, and devoutly supports the sport motorcycling. The Nomination Ballot can be found in the September 1983 issue of the American Motorcyclist magazine between pages 20-21. It will be 13¢ well spent as we feel Charlie can and will be a great representative, and District #34 and the Northeast Region can only benefit from his position on the Board. Please note, Ballots **MUST BE** postmarked no later than September 30, 1983. Please give Charlie your support!

AWARDS DINNER

The 1983 Awards Dinner is now being organized for this coming fall. Last year's dinner was a huge success. With the expanded trophy and award program for amateurs and experts, we anticipate a larger turnout than last year. The date, place, and time will be announced in the near future. Watch for details.

WINNER!!

Congratulations to Catesby Jones of Pawling, N.Y., winner of "Name the Newsletter" contest. He sent in the name "KNOBBY NEWS". A prize will be awarded at the 1983 Awards Dinner this fall.

Due to the fact that there has been much confusion regarding District #34 M.S.C. Point Events, the following schedule is intended to clarify any misunderstandings. All Point Events are indicated with an (**).

HARE SCRAMBLES

Tri-State M.C. held its first hare scrambles of the year on May 15th. After an early morning rain, the weather cleared in time for the start of the parade lap on our new course. The course is approximately six miles in length and combines a mixture of woods trails, fields, and dirt roads. It demands motocross, enduro and trail riding skills. After a parade lap to familiarize the riders with the course, a dead engine start is held by class. The race provides 2-3 hours of riding and a chance to experience all terrain types. All bikes are welcome; lights and registration are not required.

ACE CLUB MOTOCROSS NEWS

Another season is coming up and it will be a *brand new* season for Ace, in many ways. First, as you may have already heard, we have re-organized. By that I mean, officers, track

referee, and *attitude*. We are also working on track changes, as far as our dust problem is concerned. We had a lot of things in mind for this year, some things as the season progresses. What we need now to do these thing is YOUR SUPPORT. Get your friends that motocross to come, bring Mom and Dad, sister or brothers, friends, and even your neighbors, they are welcomed too!! Remember by helping us, you'll be helping yourself too, for that is all the more you will have cheering you on. Come the night before, camp over, build a nice camp fire, toast some hot dogs, and just relax. What a nice way to unwind the day before a race. On race day we have a concession stand, and an ice cream wagon for your convenience.

We appreciated all the riders and friends that stuck by us, when things were rough, and we hope to return that, with a real good program for 1984 at Modena. Our motto this year is:

"We won't give up-Don't you"

A MEMO From the desk of

Jeannine M. Beahan

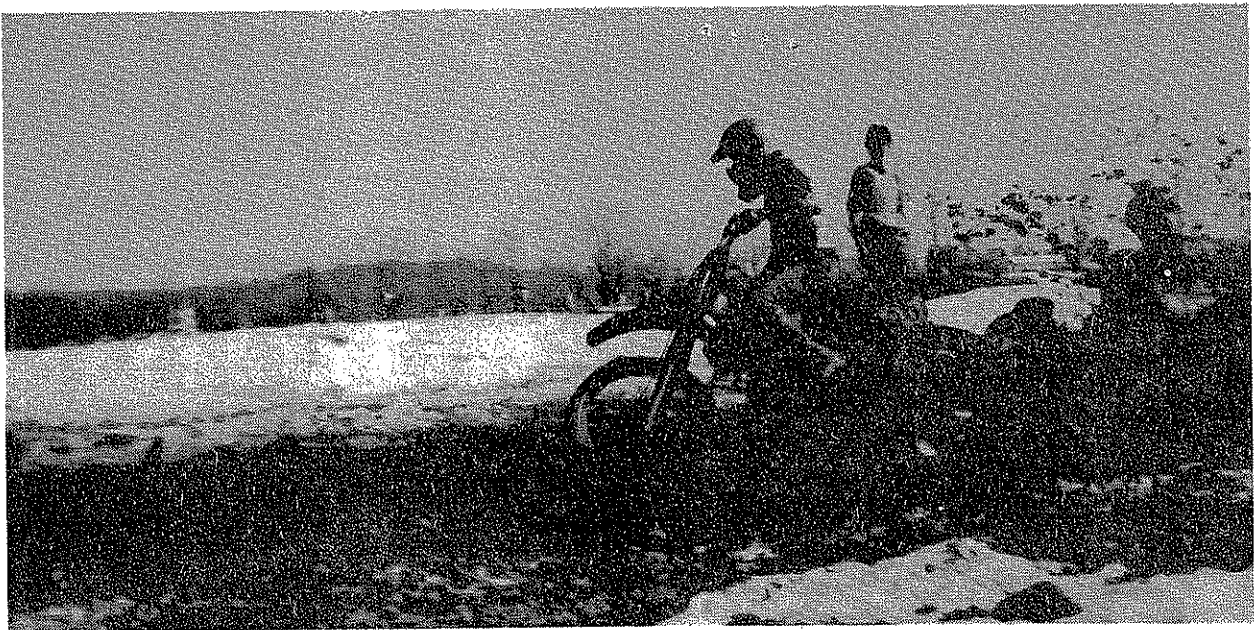

A REMINDER. . . March 1st, was the deadline for keeping the same riding number, in the M.S.C. Some of you have not renewed, and therefore may be issued a new number when you do send in your application! Each year I receive many requests for single and two digit numbers. Unless you write me a note, or write your requests by numbers on your application, I can not in good conscience, pick someones single or two digit number out and issue it to you. How would you like your number given away if it were not requested? Phone calls will not do. So remember, put down your requests, I don't care how many, and I'll do my best. Also if you want me to hold your card until after March 1st - please print on top of your application, "Hold until Mar. 1", the number you then requested may be available.

Another reminder. . . No personal checks will be accepted this year for cards. It must be a certified or Money order. You can also have your own personal check certified by the bank. Personal checks will be returned, and it will hold up the processing of your card.

Again this year I do hope to be at most of the races, with the exception of July 9-20th (vacation). So if you have any questions about your points or your cards, see me at the track, I will have all the records with me, and can hopefully answer your problem.

Thanks to all of you, that enclosed the nice notes with your applications. It was good to hear from you, and a special thanks to so many of you that wrote complimentary words on my work. Your compliments are much appreciated, and I will continue to do my best for you and the Metropolitan Sports Committee. You are all just great, and looking forward to seeing you all again real soon. A good season to all.
